

Kasasa Cash Back

This disclosure contains the rules that govern your deposit account as of **June 21, 2023**.

Account Overview

Kasasa Cash Back® is a free variable reward checking account with no minimum balance that rewards accountholders with cash back on their PIN-based or signature-based debit card purchases and nationwide ATM fee refunds when they meet minimum qualifications during the account's Monthly Qualification Cycle.

Purpose & Expected Use

The Kasasa Cash Back account is intended to be the accountholder's primary checking account in which payroll transactions and day-to-day spending activities including but not limited to grocery, gasoline, apparel, shopping, dining, sporting and entertainment transactions are posted and settled.

Commensurate with the spending activities identified above, we expect the account's debit card to be used frequently throughout each month and for transaction amounts to reflect a wide dollar range.

We have the right to close this account at any time, with proper notice. Our decision to close the account will not affect your existing obligations to us including any obligation to pay fees or charges incurred prior to termination. No deposits will be accepted, and no checks will be paid after the account is closed. If the account is closed, you will forfeit any rewards that have not been credited to your account. A Cashier's check for the remaining balance, if applicable, will be mailed to accountholder at the address indicated on our current records.

Upon termination of your Kasasa Cash Back account, any optional Kasasa Services associated with this account may also be terminated at the same time.

Qualifications

To earn your rewards all of the following transactions and activities must post and settle to your Kasasa Cash Back account during each Monthly Qualification Cycle:

- Have at least 12 PIN-based or signature-based debit card purchases
- Have and maintain a valid email address on CG Bank's system of record
- Be enrolled and agree to receive e-Statements
- Be enrolled and log into online banking or mobile banking at least one time per monthly qualification cycle

Transactions and activities may take one (1) or more Business Days from the date the transaction or activity occurred to post and settle to the account. The following activities do not count toward earning account rewards: ATM-processed transactions, transfers between accounts and debit-card transactions processed by merchants and received by CG Bank as ATM transactions.

"Business Day" means a calendar day other than a Saturday or a Sunday, January 1, the third Monday in January, the third Monday in February, the last Monday in May, July 4, the first Monday in September, the second Monday in October, November 11, the fourth Thursday in November, or December 25. If January 1, July 4, November 11, or December 25 falls on a Sunday, the next Monday is not a Business Day.

"Monthly Qualification Cycle" means a period beginning one (1) day prior to the first day of the current Statement Cycle through one (1) day prior to the close of the current Statement Cycle.

"Statement Cycle" means the period of time for which CG Bank provides a summary of the financial activities and transactions that post and settle to the account holder's account. Your statement cycle will end on the third Wednesday of the month. If this falls on a holiday it will cut the business day before the holiday. Your statement cycle will not be on the same date each month. Some statement cycles will have more days and some will have fewer days. Please keep this in mind when determining if you have met the qualifications to obtain your rewards each month.

Rewards

When Kasasa Cash Back qualifications are met during a Monthly Qualification Cycle,

However, if you have a Kasasa Saver account linked to your Kasasa Cash Back account, any fee refunds will be deposited into your Kasasa Cash Back account and immediately transferred to your Kasasa Saver Account on the first business day of the following statement cycle.

When Kasasa Cash Back qualifications are not met, you will not receive cash back on PIN-based or signature-based debit card purchases and ATM fees are not refunded.
