

## Kasasa Cash

This disclosure contains the rules that govern your deposit account as of [June 21, 2023](#).

<b>Account Overview</b>
Kasasa Cash® is a free, variable rate checking account with no minimum balance that rewards accountholders with interest and nationwide ATM fee refunds when they meet minimum qualifications during the account's Monthly Qualification Cycles.
<b>Purpose and Expected Use</b>
This account is intended to be the accountholder's primary checking account in which payroll transactions and day-to-day spending activities including but not limited to grocery, gasoline, apparel, shopping, dining, sporting and entertainment transactions are posted and settled.
Commensurate with the spending activities identified above, we expect the account's debit card to be used frequently throughout each month and for transaction amounts to reflect a wide dollar range.
We have the right to close this account at any time, with proper notice. Our decision to close the account will not affect your existing obligations to us including any obligation to pay fees or charges incurred prior to termination. No deposits will be accepted, and no checks will be paid after the account is closed. If the account is closed, you will forfeit any rewards that have not been credited to your account. A Cashier's check for the remaining balance, if applicable, will be mailed to accountholder at the address indicated on our current records.
Upon termination of your Kasasa Cash account, any optional Kasasa associated with this account may also be terminated at the same time.
<b>Interest Rate &amp; Annual Percentage Yield (APY)</b>
<ul style="list-style-type: none"><li>• <b>Compounding &amp; Crediting:</b> Interest will be compounded on a monthly basis. Interest will be credited to your account on the last day of the current Statement Cycle. If you close your account before the interest is credited, you will not receive the accrued interest. Interest begins to accrue on the day we receive credit for noncash items (for example, checks) you have deposited.</li></ul>
<p><b>"Business Day"</b> means a calendar day other than a Saturday or a Sunday, January 1, the third Monday in January, the third Monday in February, the last Monday in May, July 4, the first Monday in September, the second Monday in October, November 11, the fourth Thursday in November, or December 25. If January 1, July 4, November 11, or December 25 falls on a Sunday, the next Monday is not a Business Day.</p>
<ul style="list-style-type: none"><li>• <b>Balance Computation Method:</b> We use the daily balance method to calculate the interest on your account. This method applies a periodic rate to the principal in the account each day for the period and dividing that figure by the number of days in the period. The period we use is the Statement Cycle.</li></ul>
<ul style="list-style-type: none"><li>• <b>Annual Percentage Yield:</b> The Annual Percentage Yield (APY) associated with your Kasasa Cash account is documented below in the Rewards section. The APY disclosed on the Kasasa Cash Account assumes that the interest earned in your Kasasa Cash account compounds; however, by choosing to have Kasasa Saver linked to your Kasasa Cash, you understand that the interest earned in your Kasasa Cash account is automatically transferred into your Kasasa Saver Account at the end of the statement cycle and therefore does not remain in your Kasasa Cash account and does not compound. Additionally, you understand that the interest amount earned in the Kasasa Saver account may be less than the interest amount earned in the Kasasa Cash account.</li></ul>
